

TREES BY SIZE

20 Feet and Under

Arbutus unedo 'Compacta'	<i>Strawberry Tree</i>	6-10'	Three seasons of interest
Feijoa sellowiana	<i>Pineapple Guava</i>	10-20'	White and red summer blooms
Juniperus chinensis 'Torulosa'	<i>Hollywood Juniper</i>	15'	Great screen, drought tolerant
Nerium oleander	<i>Oleander</i>	8-15'	Rugged plant, long bloom
Photinia fraserii	<i>Red Tip Photinia</i>	10-20'	Fast growing, good screen

20 to 40 Feet

Acacia baileyana 'Pururea'	<i>Purple Leaf Acacia</i>	20-30'	Yellow flowers in spring
Arbutus unedo	<i>Strawberry Tree</i>	up to 40'	Three seasons of color
Eriobotrya deflexa	<i>Bronze Loquat</i>	15-30'	Tropical look
Laurus nobilis	<i>Bay Laurel</i>	20-35'	Culinary use, good screen
Olea europaea	<i>Fruitless Olive</i>	25'	Focal point, specimen
Pinus thunbergii	<i>Japanese Black Pine</i>	20-30'	Fast growing
Prunus caroliniana	<i>Carolina Cherry Laurel (fruitless)</i>	20-25'	White flowers
Pyrus kawakamii	<i>Evergreen Pear (fruitless)</i>	15-30'	Fast growing, white flowers
Rhus lancea (DT. Willow alternative)	<i>African Sumac</i>	25'	Drought tolerant, nice form
Schinus molle (DT. Willow alternative)	<i>California Pepper Tree</i>	25-40'	Super fast growing

40 Feet and Above

Cedrus deodara	<i>Deodar Cedar</i>	80'	Blue/green foliage, long lived
Cinnamomum camphora	<i>Camphor Tree</i>	50-60'	Shiny foliage, great form & smell
Eleaocarpus decipiens	<i>Japanese Blueberry Tree</i>	30-60'	Handsome, dense
Grevillea robusta	<i>Silk Oak</i>	50-60'	Nice flowers, fast growing
Maytenus boaria	<i>Mayten Tree</i>	30-50'	Graceful form
Magnolia grandiflora	<i>Southern Magnolia</i>	80'	White blooms in summer
Podocarpus gracilior	<i>Fern Pine</i>	20-60'	Bright foliage, fern-like
Podocarpus macrophyllus	<i>Yew Pine</i>	15-50'	Bold foliage, useful screen
Quercus agrifolia	<i>California Live Oak</i>	40-60'	Great shade, may be sheared
Quercus ilex	<i>Holly Oak</i>	65'	Striking foliage
Quercus suber	<i>Cork Oak</i>	65'	Interesting bark
Quercus wislizenii	<i>Interior Live Oak</i>	30-75'	Drought tolerant

TREES BY LOCATION

Sideyard

<i>Pyrus c.</i> 'Jaczum'	<i>Jack Pear (fruitless)</i>	15-20'x10-12'	Spring, fall color
<i>Chionathus retusus</i> 'Tokyo Tower'	<i>Chinese Fringe Tree</i>	20'x10'	Spring color
<i>Laurus nobilis</i>	<i>Grecian Laurel</i>	12-40'x12-40'	Bay leaves for cooking
<i>Podocarpus macrophyllus</i>	<i>Yew Pine</i>	15-50'x6-15'	Evergreen, heat tolerant
<i>Feijoa sellowiana</i>	<i>Pineapple Guava</i>	18-25' unpruned	Winter color, evergreen
<i>Carpinus caroliniana</i>	<i>American Hornbeam</i>	30'x20'	Low maintenance, long lived, takes full sun, heavy shade
'Native Flame'		35'x15'	
'Frans Fontain'			
<i>Ginkgo biloba</i>	<i>Ginkgo Maidenhair</i>	40'x15'	Fall color, unique leaf
'Princeton Sentry'			
<i>Punica granatum</i>	<i>Ornamental Pomegranate</i>	10'x5'	Summer color, drought tolerant
'California Sunset'			

Tough Hedges and Screens

<i>Dodonaea viscosa</i> 'Purpurea'	<i>Purple Hopseed Bush</i>	15'x10'	Fast growing
<i>Bambusa multiplex</i>	<i>Bamboo</i>	6-8' tall	Fast growing once established
'Golden Goddess'			
<i>Photinia x fraserii</i>	<i>Photinia</i>	10'x10'	Fast growing
<i>Ceanothus</i> 'Ray Hartman'	<i>California lilac</i>	15'x15'	Spring color
<i>Pittosporum tenuifolium</i>	<i>Black Stem Pittosporum</i>	15-25'x10-15'	Shiny leaves
<i>Myrica californica</i>	<i>Pacific Wax Myrtle</i>	10'x30'	Native
<i>Arbutus unedo</i>	<i>Strawberry Tree</i>	8'x35'	3 seasons of interest
<i>Osmanthus fragrans</i>	<i>Sweet Olive</i>	10'x8'	Fragrant (part shade)
<i>Ligustrum j. texanum</i>	<i>Privet</i>	10'x6'	Super tough, very dense

Patio Trees

<i>Hibiscus syriacus</i>	<i>Rose of Sharon</i>	10'x8'	Summer color
<i>Prunus campanulata</i> 'Taiwan'	<i>Flowering Cherry</i>	20'x20'	Spring color
<i>Acer buergerianum</i>	<i>Trident Maple</i>	25'x25'	Fall color
<i>Eriobotrya deflexa</i>	<i>Bronze Loquat</i>	20'x20'	Spring color
<i>Geijera parvifolia</i>	<i>Australian Willow</i>	30'x20'	Low maintenance
<i>Magnolia grandiflora</i>	<i>Magnolia</i>	20'x20'	Summer color
<i>Camellia</i>	<i>Camellia</i>	10'x10'	Winter, spring color
<i>Gleditsia tricanthos</i>	<i>Honeylocust</i>	35-70'x25-35'	Fast growing
'Aurea' or 'Shademaster'			
<i>Pistacia chinensis</i>	<i>Chinese Pistache</i>	30'x30'	Fall color
